

General/Revision based

1. **TES** - The TES website is very widely used by teachers. Here you can find literally thousands of helpful resources for all subjects up to and including GCSEs. It can be especially helpful for students who are able to access and use websites independently.

https://www.tes.com/resources/search/?experiments=pricing_facet%3A1&pricing=free&q=revision&page=2

2. **TWINKL** - Ideal for younger pupils and also for fun learning activities that you as parents can deliver and join in with whatever your level of confidence – Twinkl is again a trusted resource used by many teachers. They have also offered free membership during this period – use this code **UKTWINKLHELPS**

<https://www.twinkl.co.uk/resources/parents/free-resources-parents/free-resources-for-parents-free-resources-parents>

3. **Gojimo** – a free resource for revision and available as an app.

<http://www.gojimo.com/free-revision-app-exam-revision-help/student-home/>

4. **mathsgenie** - lots of exam practice questions and videos for each one.

<https://www.mathsgenie.co.uk/>

5. **Corbett maths** - some classes are already used to using the worksheets from here - there are videos to go with every topic explaining how to do the maths

<https://corbettmaths.com/>

6. **Classroom secrets** - (they have already created home learning packs for each year group for maths and English)

<https://classroomsecrets.co.uk/>

7. **Show Me** – a really beautiful site with lots of ideas, images and links to a wide range of subjects but particularly good for research, history and science.

<http://www.show.me.uk/>

8. Learning projects -
